THE RIGHT WAY

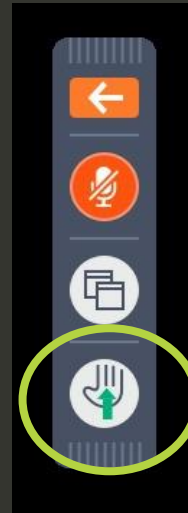

WEBINAR WEDNESDAY

WELCOME TO THE WEBINAR

We are so glad that you joined us.
Before we start,
Please take note of the following:

Audio is being transmitted over the computer
so please have your speakers “on” and volume
turned up in order to hear.

If you can not hear me please sign off
and use the same link and sign back on
this normally resolve the sound issue.

HOW TO USE THE WEBINAR TOOLS

Click the arrow to hide / show the control panel.

You will be in listen only mode during the event.

Click the screen icon to view in full screen mode

Click the hand icon to indicate to the organizer that you have typed a question in the question field

When the control panel is open you will be able to view handouts and type your questions in the question field.

Slide this bar up and down to

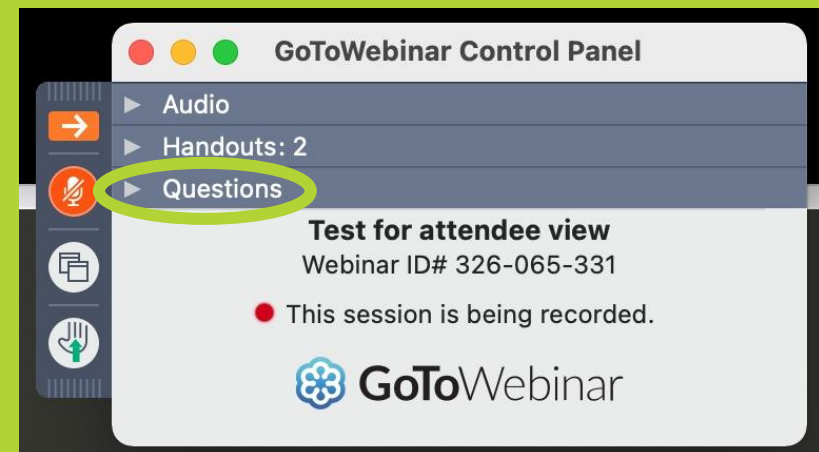

resize the presentation.

Please use the QUESTIONS box
in your GoToWebinar desktop dashboard.

On mobile devices, a Question Mark (?)
appears at the top or bottom of your screen,
so you can use this to propose
questions for the presenter.

QUESTIONS AND ANSWERS

TODAY

“THE UNBREAKABLE CHAIN”

[Click here to register NOW.](#)

OCTOBER

Importance of the dairy cold chain

Healthy dairy demands a healthy industry with healthy practices for peace of mind.

SPEAKERS
FOR TODAY

Rykie Visser

SPEAKERS FOR TODAY

Rykie was born in Zimbabwe and studied at the University of Pretoria B Engineering and B Engineering Food processing Engineering

He worked as research engineer at ARC for 12 years before joining DeLaval in 1998.

He has been in charge of the Sub Sahara distribution network for DeLaval and stayed in Kenya for some time, managing the operations there. He worked directly with the dairy farming community, from ground level to top level and was responsible for the training program of the Sub Sahara region as well as training coordination on farm level for dairy farmers.

He traveled to many African countries on a regular base.

Rykie is also a regular guest speaker at many official agricultural occasions and presented numerous papers at International conferences in Israel, USA, South Africa, Sweden. He is also a writer of numerous articles for agricultural magazines.

He wrote and compiled work and training manuals for training dairy farm workers/managers. He was a co founder member of the Institute of Dairy Technology of the MPO, and present technical and practical papers at many of these events.

Currently he is the Africa Development Manager for Agrinet, the biggest wholesale distributor to the co ops and hardware outlets in Southern Africa. His main task is to develop the Agrinet market segment in Sub Sahara Africa.
